The Road Less Traveled  
Matthew 7:13-23

Dallas is helping us to review the road that we step onto as a believer. He challenged us with three statements:

1. Be authentic in your faith
2. Do the will of the Father
3. Know Jesus

Here are some questions that might help you or your Life Group to process this message by Dallas:

1. What evidences do you have that you are living on the narrow road?
2. How do you think you would face the aspect of persecution?
3. What has been your view of the Christian life? A gate? A road? And what did that mean to you?
4. What do you think would have happened for a person to say, "Lord, Lord" and still not enter into the kingdom of heaven?
5. If every conceivable obstacle standing in your way today could be eliminated, and it can be through Christ, would you be willing to enter the narrow path? (If this is your situation, Dallas has a prayer at the end of his message you can use to help you onto the narrow road.
