My Way or the Highway
Matthew 7:13-14

Questions for Life Groups:

Read again Matthew 7:13-14. In these two short verses Jesus is nearing the end of His sermon. It is as if He is saying, "I have given you wisdom to live by, and there are two ways you can go with it. Which one will you choose?"

As you reflect on Jesus' Sermon on the Mount, consider the passages listed below and reflect on the two options; the narrow road/gate or the wide road/gate and where they both will lead you. From these verses, select the ones you would like to discuss and answer the following questions.

1. What is at the end of the narrow gate? The wide gate?
2. Regarding these passages, have you found yourself at a crossroad and struggled with which road to take? Can you share that with your group?
3. When you have found yourself on the wider road regarding one of these passages, how have you managed to get back on the narrow path? Can you share that with your group?
4. We face the "T" in the road, the crossroad on many, many more issues. Notice that these are all matters of the heart. Can you think of any other crossroads we all face on a day to day basis?
5. How did this week's sermon impact you the most?
